Jan,
The species will not change from the previous list, there has been no current survey work that would have adjusted the species from 2008. If you truly need a signed letter a request needs to come to our office via letter from your office. Our new field supervisor is Loyal Mehrhoff who has replaced Patrick Leonard who has moved on to Atlanta. Call me if you have any questions.
Thank you,
Aaron

Subject updated endangered species list

Hello Aaron, Could you send us an updated endangered species list for FEIS? We hope to be finalizing the document soon. The previous letter was written on April 30, 2008, is signed by Patrick Leonard and references 2008-SL-0163. Thanks for your help.
